FAMOUS FINAL SCENE

Think in terms of bridges burned
Think of seasons that must end.
See the rivers rise and fall
They will rise and fall again.

Everything must have its end
Like an ocean to a shore
Like a river to a stream
Like a river to a stream
It's the Famous Final Scene.

And how you tried to make it work,
Did you really think it could?
How you tried to make it last,
Did you really think it would?

Like a guest that stayed too long
Now it's finally time to leave
Yes, it's finally time to leave.
Take it calmly and serene.
It's the Famous Final Scene.

It's been coming on so long
You were just the last to know.
It's been a long time since you've smiled
Seems like oh, so long ago.

Now the stage has all been set
And the nights are growing cold.
Soon the winter will be here
And there's no one warm to hold.

Now the lines have all been read
And you knew them all by heart.
Now you move toward the door
Here it comes — the hardest part.

Try the handle of the roads
Feeling different, feeling strange.
This could never be arranged.
As the light fades from the screen,
of the Famous Final Scene.

DEDICATION

We, the Class of 1982, wish to dedicate our yearbook to Mrs. Ann Nichols for her devotion to the students of Abington High during the past four years. Through her friendly smile and warm heart, she has made our years at Abington High more enjoyable.

We hope this yearbook will enable us to repay her for her kindness and service to the school and to us, the Class of 1982.

*John F. McClay

Abington, Mass. 0251*

*Mr. Chester Millett
Superintendent of Schools*

I wish to extend my personal congratulations to the Class of 1982. During your four years of high school, you have made a positive impact upon Abington High. As you begin to assume additional adult responsibilities, I feel confident that you will be able to meet the demands placed upon you by society. As high school graduates, you will be truly "responsible for the consequences of your own actions."

Mr. Paul Byron, Principal

*Mr. Walter Paster
Assistant Principal*

Mr. Michael Gregory

The Class of '82 would like to thank Mr. Gregory for his 23 years of dedicated teaching and friendship to his students at Abington High School. We are very grateful for his sharing with us his vast knowledge and valuable advice.

Finally, on behalf of all of his past students, we would like to wish "The Big Guy" continued success and good luck in the future.

FROM THE EDITORS

As editors of the 1982 Yearbook, we would like to present this book in the hope that it will remind us of all our memorable times at A.H.S. In our four years we have made many new friends, cried a little, laughed a lot, and passed into a new stage of life. We, the editors, have strived to bring together the most unforgettable of these times.

We would like to take this opportunity to thank Mrs. Donovan for her invaluable help. She has done an incredible job of advising and managing during the past year. Also, many thanks to our hard-working staff, who devoted many long hours to complete this book.

Hopefully, the special times we shared at A.H.S. are immortalized in this Yearbook. We wish you the best of luck in fulfilling your hopes and dreams.

CLASS HISTORY

FRESHMAN

As Freshmen, we entered the High School fearful and uncertain of what our next four years would be like. We had left the security of being the oldest in the Junior High to once again have a new beginning. With confidence in their guidance, we chose Brian, Jon, Sue, and Danny as our class officers. A sense of belonging developed when our I.D. pictures were taken, but, as usual, they were never received. We soon realized the excitement of High School as we prepared for our first dance, rally, and the ordering of our class jackets. The dance seemed to go well, as far as we could tell, but our jackets didn't arrive until the spring. Not quite knowing what to expect, the Freshman walls at the rally looked kind of bare, but we vowed to do better the next time. The Freshman Football Team showed much potential as they ended the season with an unblemished record. In May, we left for Virginia on our first band trip returning with happy hearts and sick stomachs. With a feeling of assurance, we then cleaned out our first floor lockers and headed for the second floor.

SOPHOMORE

In the fall of '79, we the Sophomore Class, took up residence on the second floor. We were no longer scared Freshmen but tough Sophomores. We got our first taste of the thrill of Blueberry Hill and, because of this new found knowledge of good times, the opening school dance became the last one. Guiding us through our turbulent struggle were Eric, Jon, Ann, and Danny. Sentiment ran high in the class with the success of the first Operation Carnation and the ordering of our class rings. Girls' sports took a step forward with the first season of the Girls Soccer Team and the Girls Basketball and Track Teams continued their domination of the South Shore League. As the Class of 1980 left, we looked forward to finding our way to the third floor and joining the ranks of upperclassmen.

JUNIOR

Three years after the big jump, we finally made it to the third floor. We elected Julie, Shawn, Ann, and Debbie to help us face this very special year. We knew not what to expect, but with this leadership we knew we couldn't go wrong. It was a banner year for Abington High sports, including the most successful winter season ever. The Girls Basketball Team won their annual League Championship, but this year they took it one step further. They added to their accolades trips to Massasoit, Stonehill, Boston Garden, and Assumption College and came away with two school firsts — a Sectional Championship and the Division II State Championship. The Boys Basketball and Hockey teams proved to be champs, too, as both won South Shore League titles and earned tournament berths. Our fans, known as the "Bleacher Creatures," (and we do mean creatures!) became the talk of the South Shore as they captured the hearts, hands, hair, backs, and, of course, eardrums of the faculty, players, and opponents. The prom was a great success thanks to the efforts of our officers and advisors. "We've Got Tonight" will always be remembered, for those of us who can remember, as a great time. Junior year wound down quickly. We left good times and good memories, but we were looking forward at last to our Senior year, hoping it would be the most successful year of all.

SENIOR

We returned as Seniors to find a number of changes had taken place since we had left in June. The second floor offices had been destroyed by fire; our path, with all its memories, had been overrun with condominiums; and Proposition 2½ had meant the loss of a number of teachers and many classrooms were overcrowded. To help overcome the odds mounting against us, we elected Julie, Kathy, Ann, and Debbie. The Football Team set the tone for the year when they gave new meaning to the word "mohawk" and to the football program when they emerged as the South Shore League Champions. Oak Street became a favorite partying spot when we were chased from "Dale" and "Endless." The band, placing first in the Quincy Christmas Parade, became the New England Marching & Parade Champions and received a nine-foot trophy to show for it. As the winter came, many a day we arrived at school chilled to the bone from the long walk to school only to find the classrooms were not much warmer. The Girls Basketball Team won their fourth consecutive League Championship, and the Boys Basketball Team continued to show that they were a force to be reckoned with as they qualified for their second straight State Tournament.

As the year comes to a close, we look forward to Class Night, the Reception, and Graduation. But as we look forward, we also begin to look back and remember the good times we've had. Though we say good-bye to teachers and friends, we know in our hearts that they'll always remain with us and our memories of the "Famous Final Scene."

CLASS WILL

We, the Class of Nineteen Hundred and Eighty-Two, being of reasonably sound mind and bodies, do hereby declare that this is our Last Will and Testament, and bequeath to the underclassmen and faculty of Abington High School all our worldly possessions and most cherished memories of our unforgettable years at Abington High, and do declare all other endowments set forth in our names to be null and void.

CHORUS

CHEERLEADERS

FIELD HOCKEY

Led by senior Captain Mary Bulger, the Field Hockey team was young and inexperienced this year. They showed a great deal of spirit, competitiveness, and enthusiasm, however, and are looking forward to a more successful season next year.

BOYS CROSS COUNTRY

Captains John Hammarstrom and Donny Bryant led this year's Cross Country teams to an excellent record. Their enthusiasm and competitiveness insures them of continued success in the future.

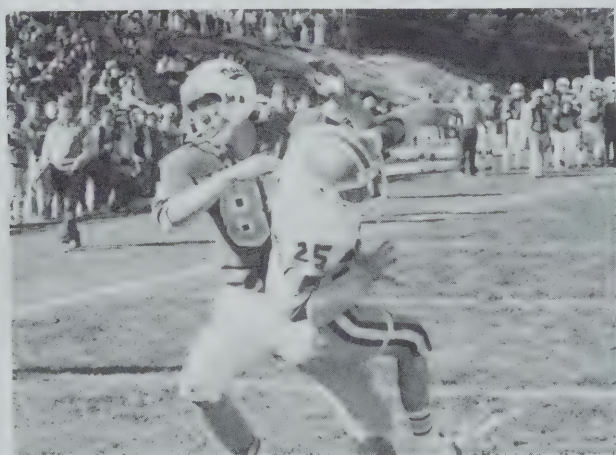

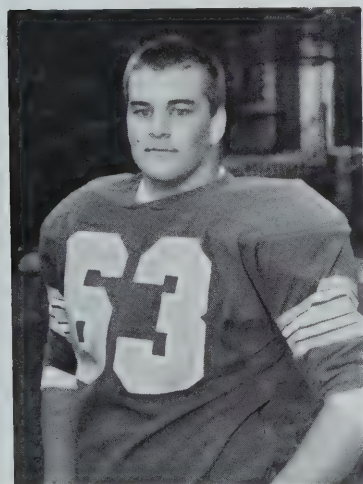

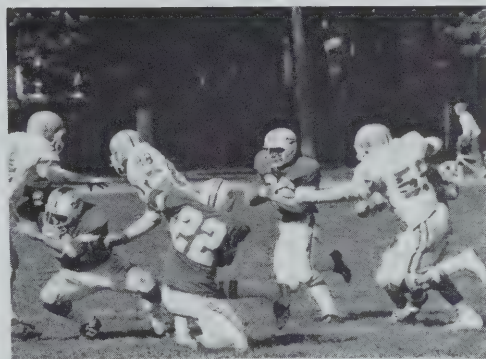

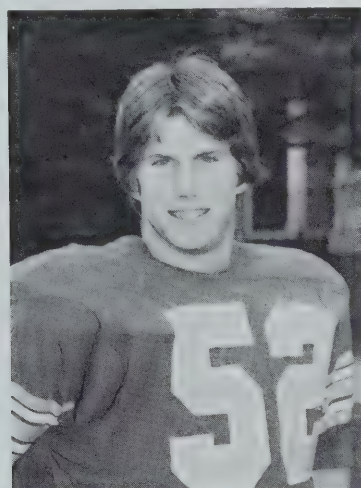

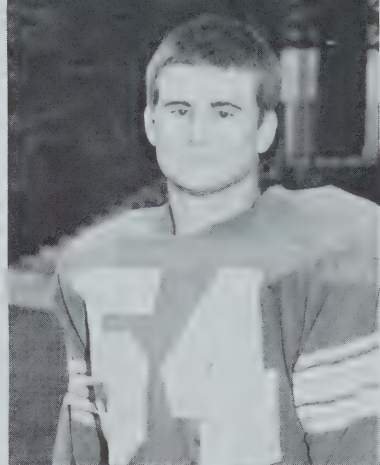

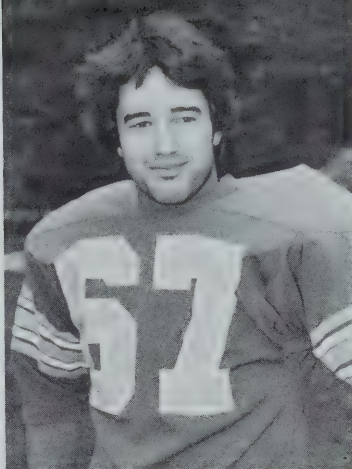

FOOTBALL

The Football Team led by Co-Captains Eric Thorbahn and Jude Driscoll had a very successful season and provided the fans with many thrilling moments on their way to becoming the South Shore League Champions with a final record of 8 - 2. This was the first time Abington clinched the title since joining the league in 1974.

Other major contributors to the team were seniors Jon Wells, Tom McIssac, Bob Wager, Joe Deveney, Sean Beaton, Bob Gulick, Steve Stranahan, Richard Hussey, Brian Griggs, Al Sebastyn, Kris Doughty, Matt Burke, Dan Riordan, Brian Woods, and Brian Pappaceno.

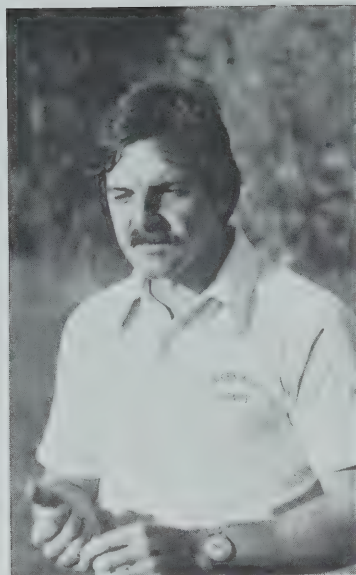

BOYS' SOCCER

The leadership of Tri-Captains Mike Perkins, John Corr, and Tim Corcoran was instrumental in helping new coach Jerry Corcoran pull the team together for its best season yet with a 9-4-1 record. Other senior members making significant contributions during the season were Jim Fulton, John Keyes, Bill Crandell, Brian Crowley, Brian Gillis, David Field, Kevin Ware, and Joe Fortin.

GIRLS' SOCCER

The 1981 Girls' Soccer Team produced their best record to date — 9-4-1 overall and 7-4-1 in the South Shore League. They played some fine soccer this season, and the players should have some very pleasant memories, such as the 4-2 victory over Rockland.

The Green Wave girls were led by senior Tri-Captains Bridget Hall, Tracey Nestor, and Lisa O'Neil, and by senior defenders Fran Hines, Liz Kelley, and Maura Murray, whose combined talents made them a competitive force in the South Shore League.

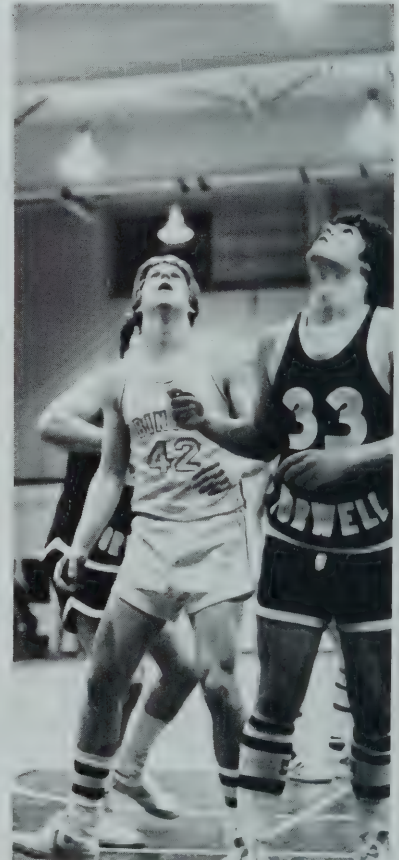

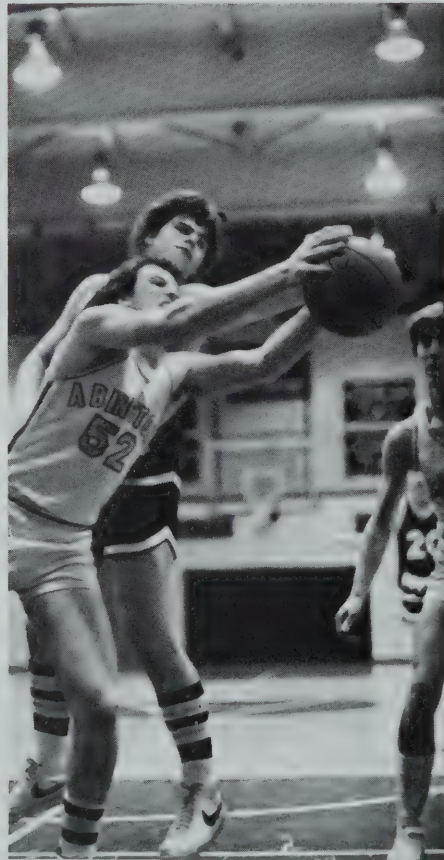

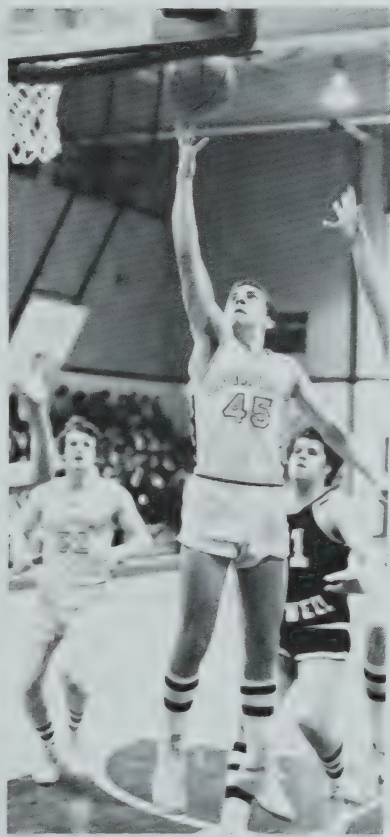

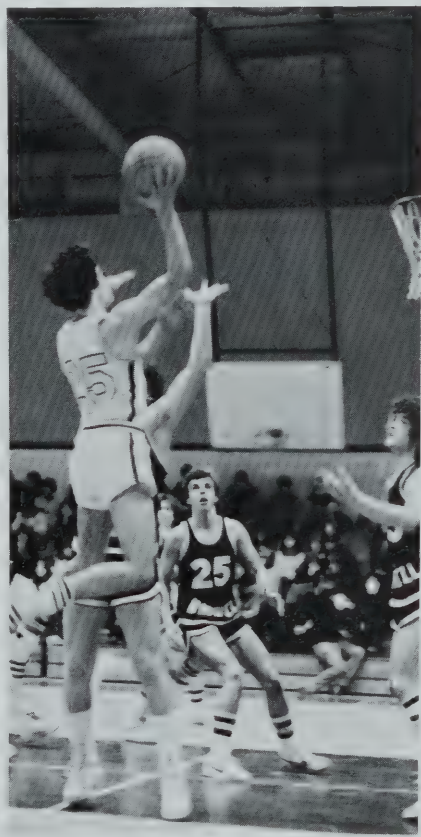

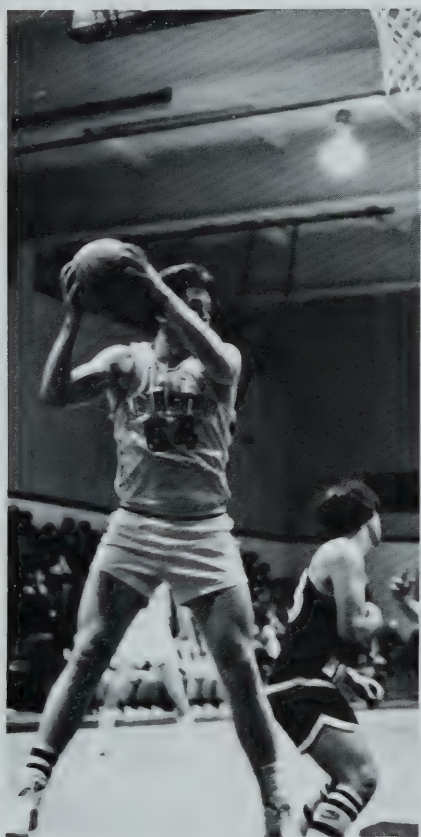

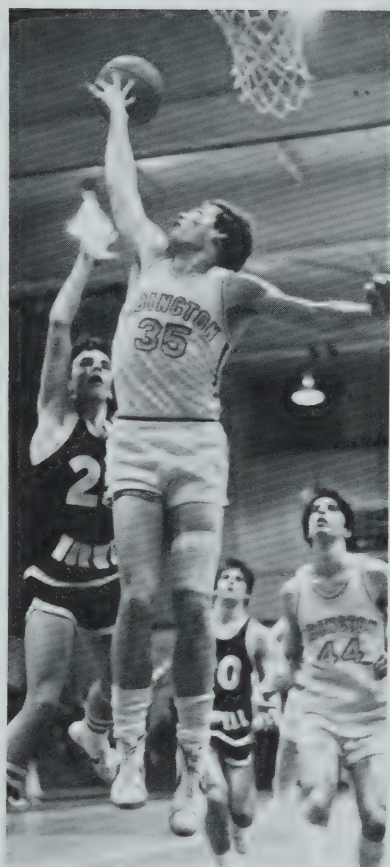

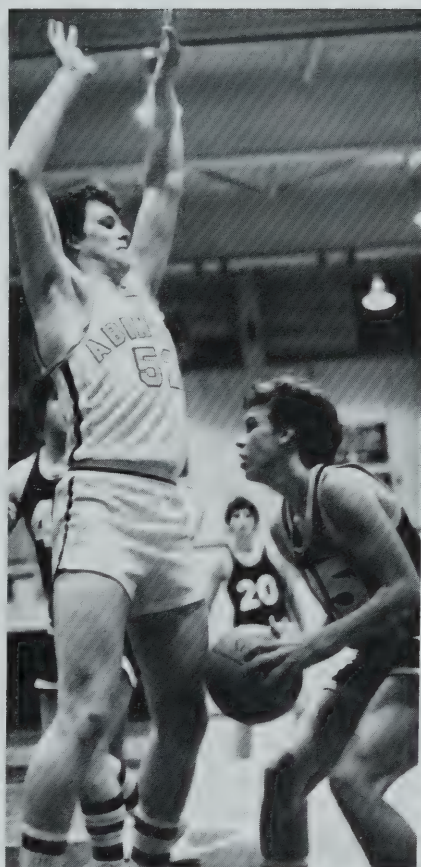

BOYS BASKETBALL

Coming off last year's South Shore League Championship, the 1981-82 Boys Basketball team posted a 15-5 record carrying them to the tournament once again. Behind the fine leadership of Co-Captains Jude Driscoll and Al Sebastyn, the senior members Matt Burke, John Corr, Kris Doughty, Paul Hagerty, Richard Stone, Steve Stranahan, Kevin Sullivan, and Manager Dennis Donovan made this one of the most successful seasons yet.

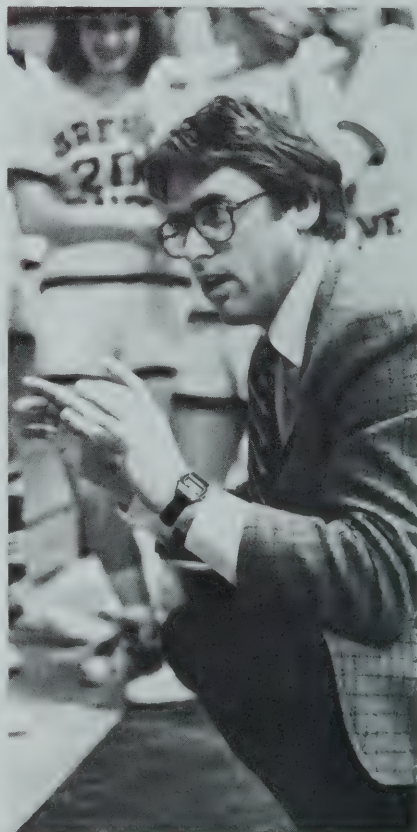

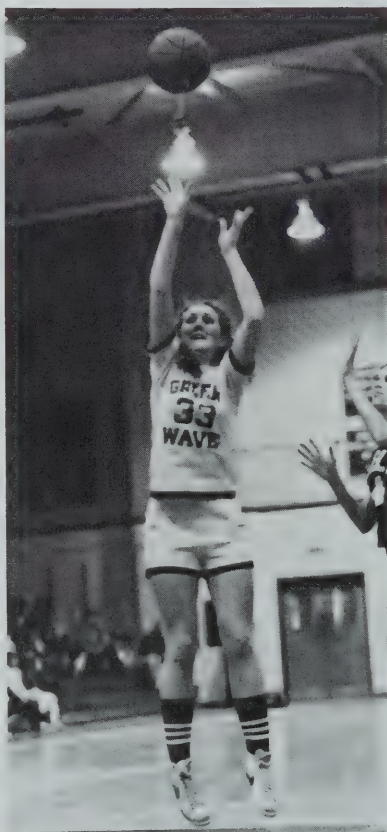

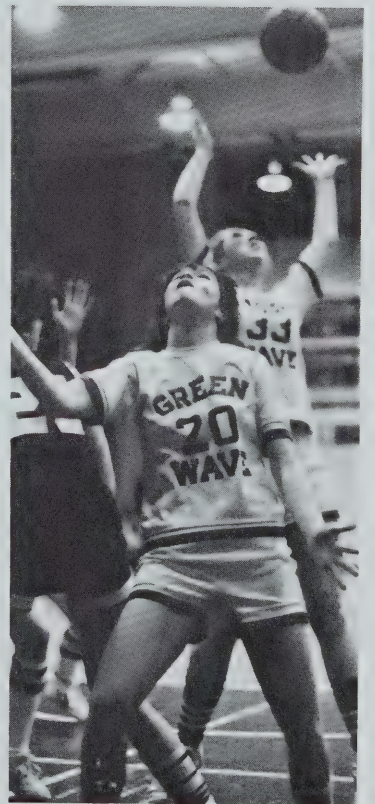

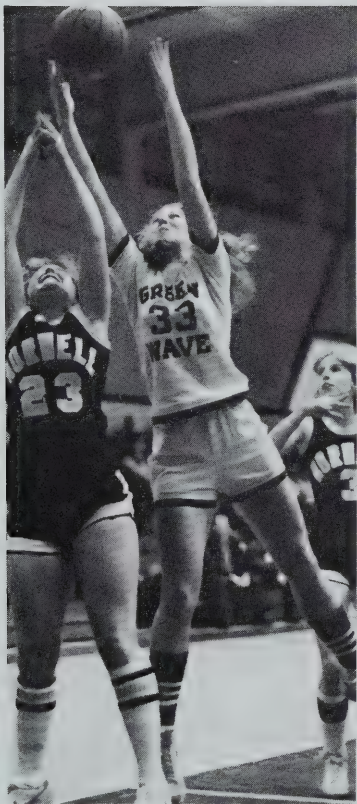

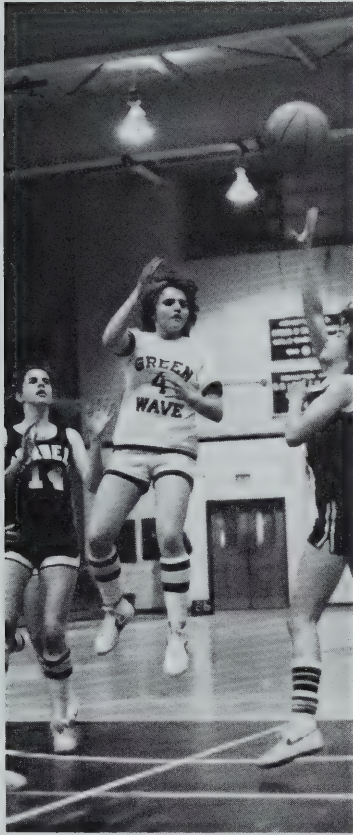

GIRLS BASKETBALL

After capturing the 1980-81 Division II State Championship Title, an accomplishment unprecedented in A.H.S. sports history, "The Wave of Success" continued as the girls once again won the 1982 South Shore League Championship. This team, ranked as one of the top three in the state, was led by senior Tri-Captains Cathy McCabe, Mary Bulger, and Ann Donlan along with seniors Teresa Lynch and Lisa O'Neil and junior guard Chris Donovan.

HOCKEY TEAM

This 1981-82 Hockey Team was led by Co- Captains Jack Collins and Joe Dole along with seniors Tim Brown, Neil Budden, Bob Caldeira, Jerry Collins, Mike Murphy, Mark Preskenis, Steve Springhetti, and Brian Woods. Their fine record was the result of their hard work and determination. Coaches McMann and Sulmonte were pleased with the team's success this year.

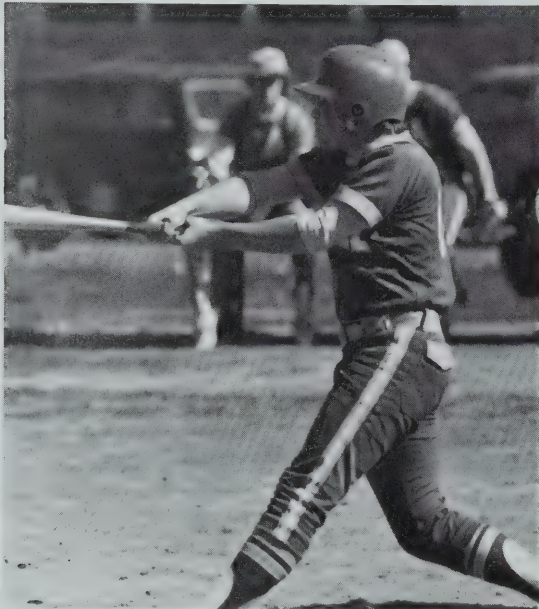

BASEBALL

Co-Captains John Corr and Mike Stagliola will strive to make this year's season a great success. Other senior members who are expected to make significant contributions to the team are Jack Collins, Jerry Collins, Brian Griggs, Paul Hagerty, Tom McIsaac, Mark Preskenis, Shawn Reilly, Bob Wager, and Jon Wells.

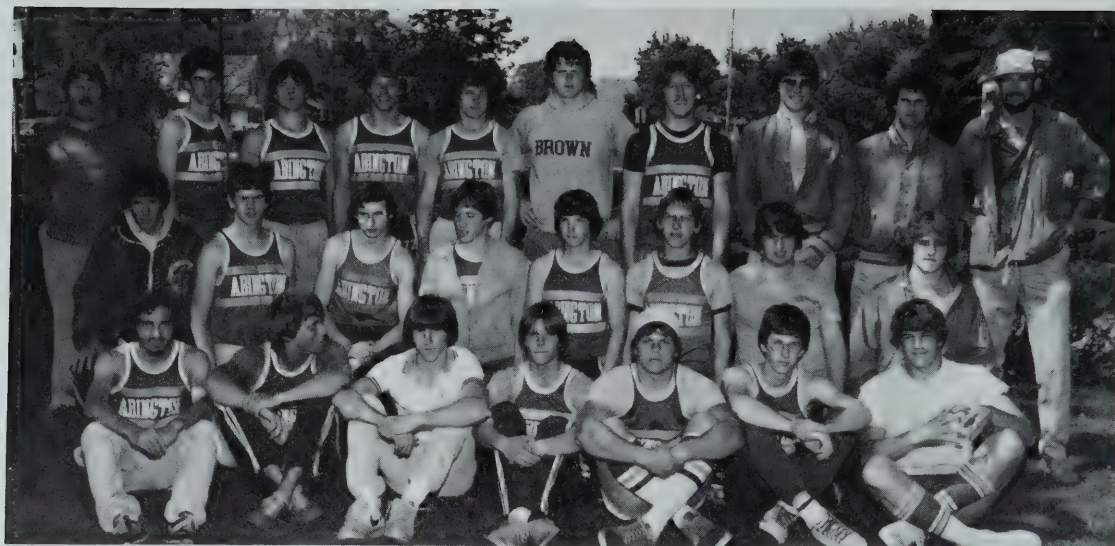

GIRLS' TRACK

Under Tri-Captains Kathy Colbert, Deirdre McCarthy, and Ann Donlan, the 1982 Girls' Track Team hopes to maintain their excellent reputation and record in the South Shore League.

BOYS TRACK

Co-Captains Eric Thorbahn and Joe Dole are looking forward to increased accomplishments this season. Other senior members who will contribute their many talents are Matt Burke, John Dumas, John Hammarstrom, Al Sebastyn, Steve Stranahan, and Brian Woods.

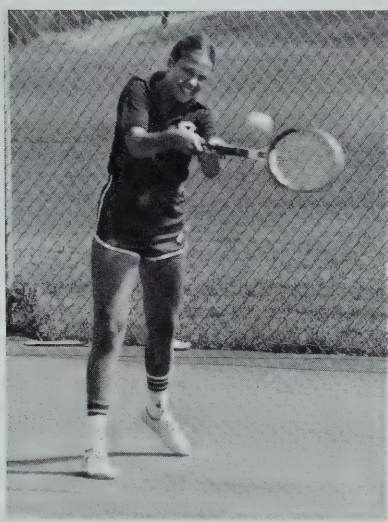

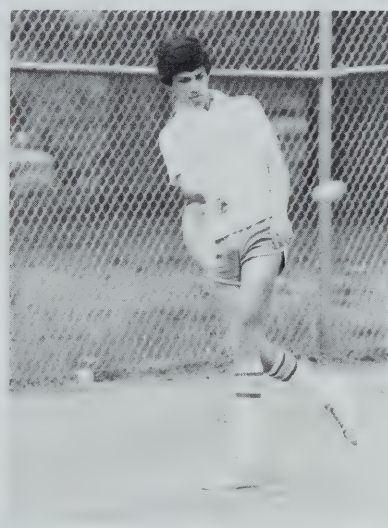

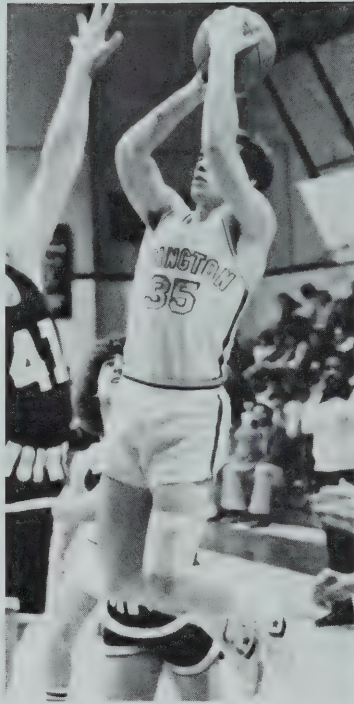

GIRLS TENNIS

The Girls Tennis Team promises to have an exciting season. Seniors Joan Collins, Fran Hines, Maura Murray, Karen Swanson, Pam Villa, and Audrey Wilson should provide the combined strength necessary for an outstanding team.

BOYS TENNIS

Led by Co-Captains Jim DeCoste and Bill Stone and the guidance of new coach Mr. Michael Mayhew, the team hopes that this year's talent will bring about a winning season.

THERE, READY TO CARE

In appreciation we, the Class of 1982, dedicate this page to the guidance counselors, Mr. William Hart and Mrs. Dawn Freedman, and to their secretary, Mrs. Jessie Wight. They have done so much for each of us, always ready to offer their assistance in a friendly and concerned way. They have certainly made our years at Abington High more meaningful.

We wish to thank them for all their help and hope that through this yearbook they will remember us as fondly as we will remember them.

The Class of 1982

YOU'VE GOT A FRIEND

*When you're down and troubled
And you need some loving care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night*

*You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend*

*If the sky above you
Grows dark and full of clouds
And that old north wind begins to blow
Keep your head together
And call my name out loud
Soon you'll hear me knocking at your door*

*You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend*

*Ain't it good to know that you've got a friend?
People can be so cold
They'll hurt you, and desert you
And take your soul if you let them
Oh, but don't you let them*

*You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend*

Gee, my mother never told me that!

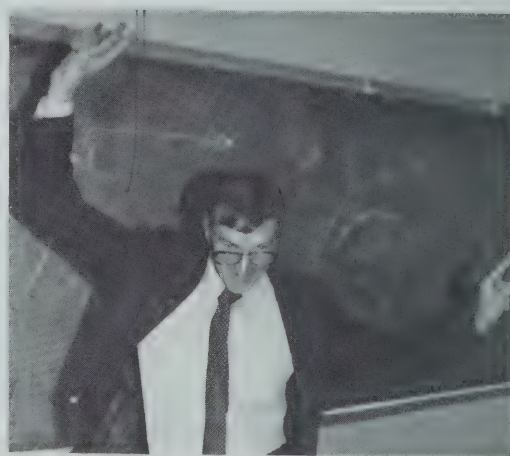

What is the meaning of life anyway?

Aw, do you really mean it?

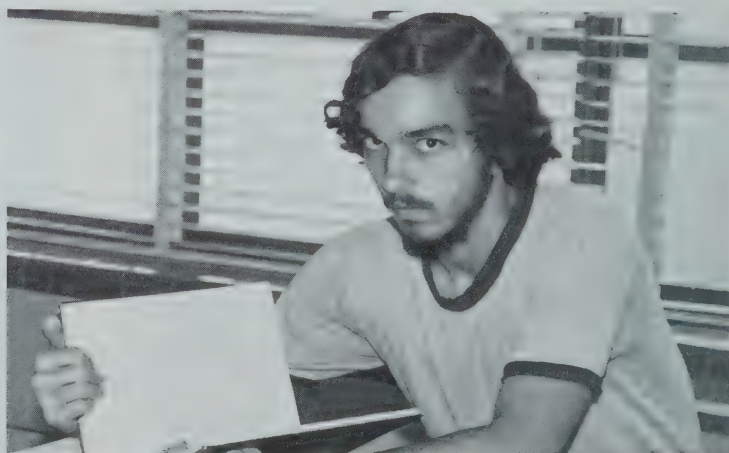

Now is that $\sin^2 A = \frac{1}{2} (1 - \cos 2A)$ or $\cos^2 A = \frac{1}{2} (1 - \sin 2A)$?

It's Friday in America!

Let there be light.

What are you staring at?
